WORK EXPERIENCE

Eneco Holding N.V.

User Experience Designer (October 2016 - present)

After having completed my bachelor assignment at Eneco, I was offered a position as UX-designer. My responsibilities are diverse, but currently, my primary focus is optimizing the customer relationship management software that is used within the company.

Eneco Holding N.V.

Internship & Bachelor Assignment (May 2016 - September 2016)

During my internship, I worked on the design and development of a new extension for Toon, the smart thermostat and smart home hub of Eneco. The assignment was graded with a 9 out of 10 (A).

Freelance

Web Design and Development (2015 - present)

For various clients, I designed and developed websites. These projects ranged from company websites to complete webshops.

Tio University of Applied Sciences

Graphic Designer / DTP'er (February 2014 - May 2016)

My focus was on the design of the (graphic) marketing materials. My work was used within and outside of the company. My responsibilities also included designing their monthly magazine.

University of Twente

Teaching assistant (February 2015 - April 2015)

Assisting with a course on product design rendering and sketching.

Techno Hobby Winterswijk

Shop employee (2011 - 2013)

EXTRACURRICULAR

AAU Satellite Team

Team member (September 2015 - February 2016)

Part of the satellite team for the new satellite AAUSAT6 during the first stage of the project.

S.G. Daedalus

Several committees (September 2012 - July 2015)

- Vision committee, chairman (May 2013 - July 2015)
- Symposium committee, web designer (June 2014 - February 2015)
- First-year committee member (September 2012 - September 2013)

Stichting Stukafest Enschede

Boardmember and Treasurer (June 2013 - June 2014)

Organizer of a cultural festival in several student dorms and popstage Atak in Enschede, with +/- 1250 visitors.
